Verifier

You must supply details of someone who can verify your request – a teacher, charity representative, librarian, local councillor, CAB official or Job Centre Official. They must know your child in a professional capacity.

Verifier's full name

Organisation

Email (this must be their official email)

Relationship to child

Job title

Phone number

Tick if your household... Will be willing to participate in surveys to evaluate the success of this programme.

Tick if your household... May be willing to share your experiences in publicity for this programme.

To confirm you understand the below: I understand ...

That I can only apply once per child, unless invited to reapply, and that I can only apply for up to two children. That applying, and being verified, does not guarantee that a laptop will be available. That if I am successful in my application, my name, address, telephone number and email will be passed to our laptop provider in order to fulfil the order, and will only be retained by them for the sole purpose of that order and as long as needed for any statutory warranty. None of my other information will be shared with that partner, including my child's name. That if I am successful in my application, I will be responsible for this laptop, and neither the Digital Poverty Alliance / Learning Foundation, nor Currys plc, nor any other laptop provider or third party connected with providing the laptop, will be responsible for ongoing maintenance.

Full terms and conditions are available at digitalpovertyalliance.org/tech4families or by texting 07984445476 with the word TERMS.
