Tick if your household... Will be willing to participate in surveys to evaluate the success of this programme.

Tick if your household... May be willing to share your experiences in publicity for this programme.

To confirm you understand the below: I understand ...

That I can only apply once per child, unless invited to reapply, and that I can only apply for up to one device per household. That applying, and being verified, does not guarantee that a laptop will be available. That if I am successful in my application, my name, address, telephone number and email will be passed to our laptop provider in order to fulfil the order and will only be retained by them for the sole purpose of that order and as long as needed for any statutory warranty. None of my other information will be shared with that partner. That if I am successful in my application, I will be responsible for this laptop, and neither the Digital Poverty Alliance, nor any other laptop provider or third party connected with providing the laptop, will be responsible for ongoing maintenance.

Full terms and conditions are available at digitalpovertyalliance.org/tech4youth or by texting 07984445476 with the words T4Y TERMS, and your name, address and post code.
