I understand ... That I can only apply once per child, unless invited to reapply, and that I can only apply for up to one device per household. That applying, and being verified, does not guarantee that a device will be available. That if I am successful in my application, my name, address, telephone number and email will be passed to our provider to fulfil the order and will only be retained by them for the sole purpose of that order and as long as needed for any statutory warranty. None of my other information will be shared with that partner. That if I am successful in my application, **I will be responsible for this device**, and neither the Digital Poverty Alliance, nor any other device provider or third party connected with providing the laptop, will be responsible for ongoing maintenance.
